

# Six decades of excellence

For more than 60 years, JOBST® has offered premium quality compression products ranging from medical compression garments to bandages.

We care about the well-being of your lymphedema patients and are proud to offer the following:

- 5 to 7 days to receive JOBST® Elvarex® custom garments\*
- Lymphologist Specialist to assist you
- JOBST® Compression Institution, educational programs adapted to all levels of knowledge
- Innovative and unique products to increase patient comfort and compliance

\*Once order has been received and validated by Essity.

JOBST® Compression Institute's mission is to answer questions and be a valuable resource for fitters, clinicians, healthcare providers and caregivers interested in learning more about compression therapy and lymphatic and venous disorders.
