

Redefining Infection Management

Cutimed® Sorbact®
wound dressings help patients heal quickly and effectively to improve outcomes.

The unique technology of Cutimed® Sorbact® redefines infection management and effectively removes bacteria from the wound bed without the release of any antimicrobial agents.

Clinically proven

It has demonstrated the ability to significantly reduce bacteria in critically colonized wounds.^{1,2}

It's time to go green!

Experience the efficacy of Cutimed® Sorbact® — a proven alternative to silver-based dressings.
